SPECIAL INSTRUCTIONS

Any special requirements, instructions, specifications, or conditions relating to the supply, delivery, installation, or provision of the ordered goods and/or services shall be stated in this section.

TERMS AND CONDITIONS

1. The supplier shall provide the goods and/or services specified in this Purchase Order according to the agreed specifications and quantities.
2. All goods and/or services supplied must meet the quality and requirements agreed upon by the organization and supplier.
3. The supplier shall deliver the ordered goods and/or services within the agreed delivery period.
4. Any changes to this Purchase Order must receive authorization from the appropriate representative of the organization.
5. The organization reserves the right to reject goods or services that do not meet the agreed specifications, quantity, quality, or delivery requirements.
6. Payment shall be processed according to the agreed payment terms after satisfactory delivery and verification of the goods or services.
7. The supplier shall provide all required invoices, receipts, delivery documents, warranties, certificates, and other supporting documentation.
8. The supplier shall promptly notify the organization of any expected delay, shortage, defect, or other issue affecting the delivery or performance of the order.
9. The supplier shall be responsible for ensuring that the delivered goods or services comply with all applicable requirements and agreed specifications.
10. This Purchase Order constitutes an official order issued by the organization for the goods and/or services described in this document.
